

# Bosch ESI[truck] Heavy Duty Truck Software Update

## Version 2019/3

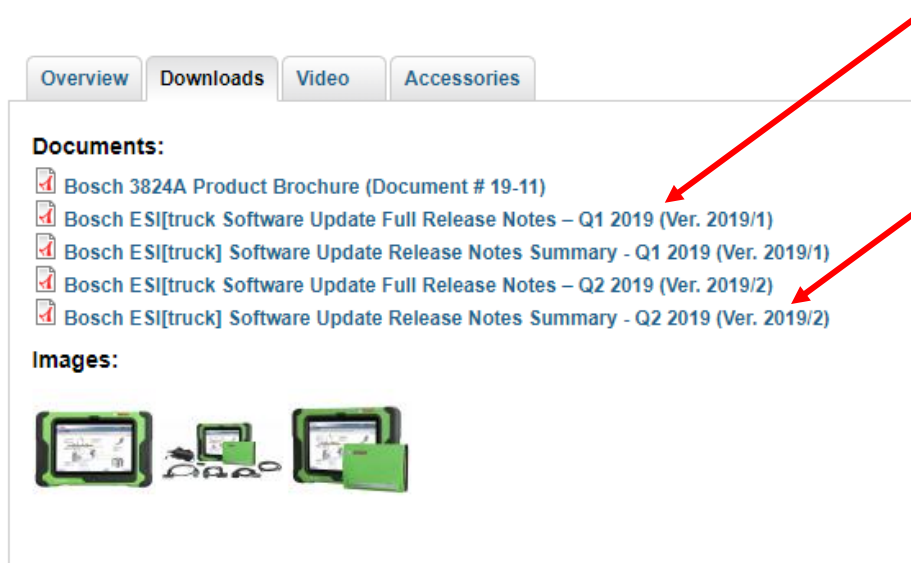

[www.boschdiagnostics.com/pro](http://www.boschdiagnostics.com/pro)

### What's New

In version 2019/3, Bosch continues to expand the ESI[truck] diagnostic coverage and capabilities. See the graphs on the next pages that highlight the ever-growing capabilities that you – **our valued customers** - support when you make the decision to renew your annual software license.

On the following pages, you will find additional information on what vehicles and systems we have focused on for this update.

And of course, if you are interested in even more of the details behind all the great improvements, you can also visit [www.boschdiagnostics.com/pro](http://www.boschdiagnostics.com/pro), go to the downloads section, and click on the 'Full Release Notes' for this version (screen shot below from when version 2019/2 was released) -

### Recent Product Upgrade

Bosch continues to improve our product offering, and with the recent release of the 3824A, product, our valued customers now receive the exciting new HDS 1000 (shown here) Windows 10 Touchscreen tablet with their purchase. See your preferred Bosch distributor for details.
