

# Flasher LT Quick Start Instructions For Windows XP

# BOSCH

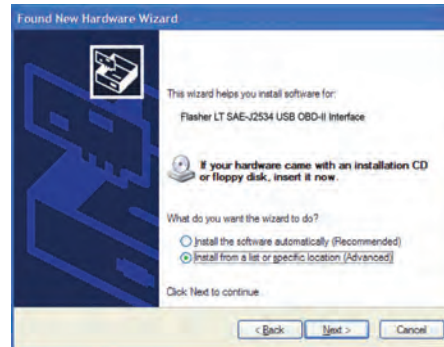

### Step 1:

Connect the Flasher LT cable to a USB port on your PC. Windows will detect the Flasher LT automatically by plug-and-play

### Step 2:

The *Found New Hardware Wizard* will pop-up automatically. Select “No, not this time” and click next. Then click “Install from a list of specific location” and click next.

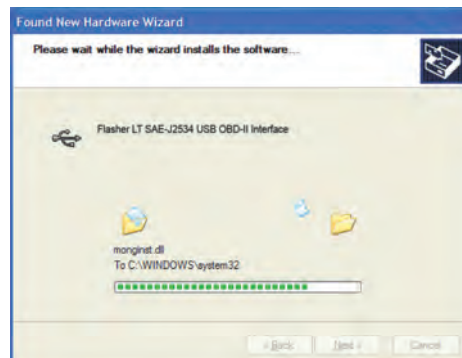

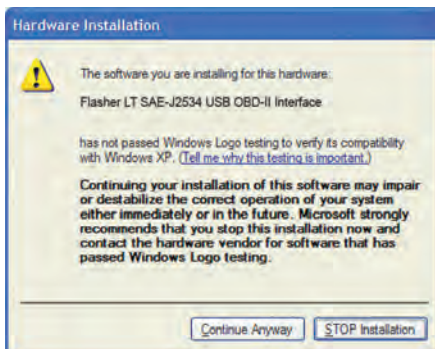

### Step 3:

Insert the Flasher LT drivers CD, make sure “Search removable media” is selected, and click next.

### Step 4:

The *Found New Hardware Wizard* will install all necessary drivers. A dialog box may pop-up to indicate that Flasher LT has not passed Windows Logo testing. Click “Continue Anyway”.
