Actron® & CodeConnect®

Revolutionizing the way you fix your vehicles.

The CodeConnect information takes vehicle repairs to another level for Do-It-Yourselfers and Technicians alike. CodeConnect provides actual fixes to the problem causing the check engine light to illuminate - providing the Top Reported Fix from the CodeConnect database. The Top Reported Fix is the most probable solution to the vehicle problem and is a shortcut for troubleshooting efforts.

AutoScanner® Plus will indicate on screen which codes have the CodeConnect details available. Then it's a simple push of the button to get the CodeConnect information.

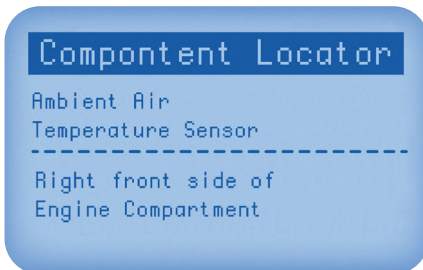

CodeConnect provides 4.3 million verified fixes specific to the vehicle's make, model, year and engine.

Current retail scan tools leave all troubleshooting to you. AutoScanner Plus with CodeConnect does the troubleshooting for you.
